

The 2020 Santa's Elves Program

If you find yourself struggling to make ends meet this holiday season we would like to help. Mt. Wheeler Power, White Pine County Social Services and some very generous elves would like to help put a little something special under the tree for your child(ren) this year.

Please note required program changes due to COVID-19 protocol.

Application deadline is **Thursday October 29, 2020**. To reduce contact please put your completed application in the envelope provided and leave in the Mt. Wheeler Power night drop or drop off at the drive-up window before 4pm, October 29, 2020. Please do not include any personal financial information. Social Service personnel will contact you for required verification. Applicants will be accepted on a first come basis due to financial limitations this year.

The Santa's Elves program has been in place for over 30 years, and while it has changed over the years, the programs intent has always been to lend a helping hand to families who are financially struggling with the additional expenses of the holiday season. This program is not a government funded program, we rely on the generosity of our community to purchase items or to donate financially.

Applications received after the deadline will be denied. No exceptions. Toys will be **delivered** the week of December 14, 2020. You will be notified of the exact date in a letter during the beginning of December. Toys will be bagged and left on your front step. No contact will be made between applicant and delivery person. Clothing items will not be included this year. If you have a clothing need, please contact social services directly. **Please keep this page as a reference.**
