

We would be very grateful if you could help us this year with the Santa's Elves program.

Covid-19 protocol is preventing us from doing our ornaments on the tree, but we have come up with an alternative plan. The Santa's Elves Shopping list!

This list (attached) contains all the toy wishes of our participants this year. If you can find an item or two on the list that you are willing to purchase and donate, it would be a huge help.

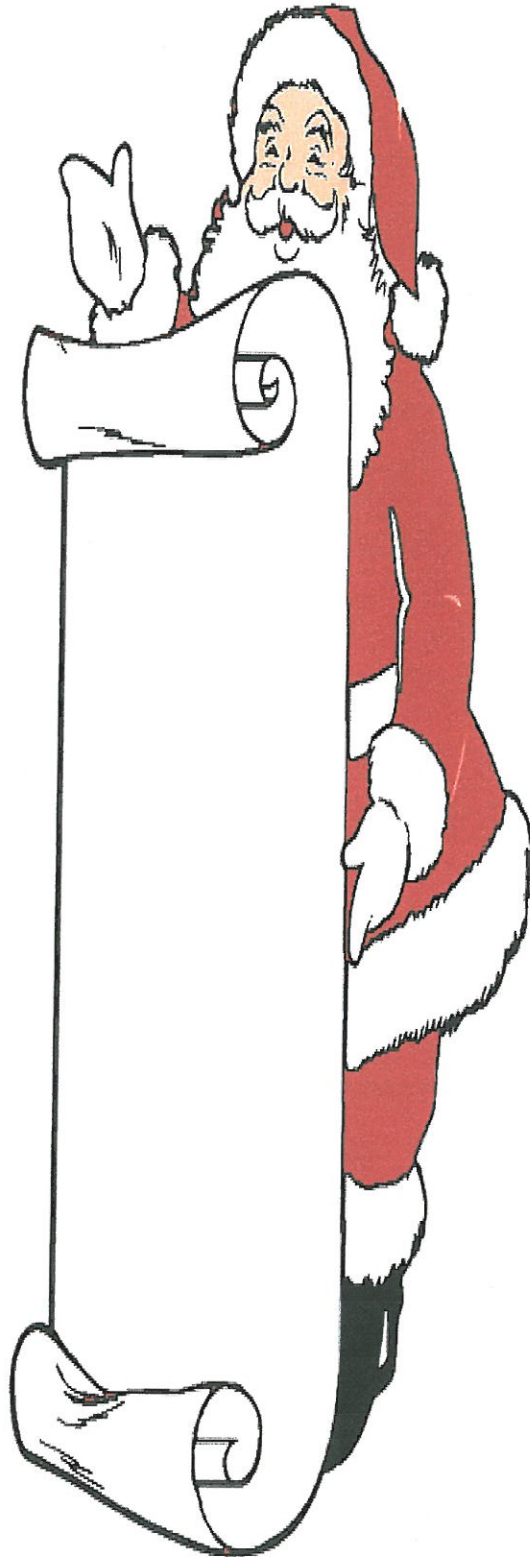

We know we may end up with some duplicates, but we can assure you all toys that are donated will go to kids in need in our community.

**Dropping off donated items:**

We will have a Mt. Wheeler Power truck parked near the front door of our Ely office Monday -Friday from 9-4 beginning on Monday Nov. 16<sup>th</sup> through Friday December 11<sup>th</sup>. Please deposit your toy donation in the truck during this time. Please do not wrap the toys.

We will update the list periodically as toys come in and share it on our website.

Have questions?
